8 Secrets to Success

Why do people succeed? Is it because they are smart? Or are they just lucky? It all comes down to eight words.

Why do people succeed? Is it because they're smart? Or are they just lucky? A self-described average guy who found success doing what he loved, Richard St. John, spent more than a decade researching the lessons of success — and distilling them into 8 words, 3 minutes and one successful book.
